2018

Dear Patient

## GP Appointment

Thank you for choosing to see me at my Practice at 120 Harley Street for your GP consultation. This letter sets out some important information that I am required by law to provide to you. This is for your information only and is not a bill. As this includes information about my charges, if you do not have private medical insurance but someone else will be paying your bill, you may wish to pass a copy of this letter to them. Please note that even if someone else is paying your bill or you have private medical insurance, you are responsible for paying any charges which they do not pay.

## Consultation Fee

The fee for an initial consultation is £195. Further charges may be incurred should the consultation indicate that additional tests are required. A full list of fees can be found on our website [www.drjackedmonds.co.uk](http://www.drjackedmonds.co.uk). These prices are correct as at the date of this letter. (Should you cancel your appointment with less than 24 hours' notice, a cancellation fee of £195 for a consultation or £390 for a full clinical medical examination may be charged).

Following your consultation, you may need certain tests (for example blood tests, an X-ray, MRI or CT scan) to help me diagnose your condition. These tests will be undertaken outside of the Practice, and the fees for these tests will be determined by the clinic or hospital you are referred to and charged to you, or your private medical insurer, separately.

If there are any fees which I will charge in relation to any of the tests I advise that you have, we will let you know what those will be.

## Private Medical Insurance

Please note that we do not deal directly with insurance companies. When patients have medical insurance, we ask them to settle directly with us, and then claim the money back from their insurance company following their appointment.

If you have private medical insurance, please contact your insurer before your consultation to check the terms of your policy, particularly the level and type of outpatient cover you have, including any reimbursement limits on individual consultation fees.

Please note you are responsible for any fees not covered by your insurer.

## Financial Interests

I am legally obliged to tell you if I have any financial interests in The London Clinic or any equipment there. I can confirm I do not have any such financial interests.

I look forward to welcoming you to 120 Harley Street.

Yours sincerely

**Dr J A T Edmonds MB BS FRCGP**
