## Professional Medical Fees 2021

Settlement of fees are requested on day of appointment and can be settled via ApplePay, on-line banking or by debit or credit card. We also accept cash or cheques. An administration fee will be incurred where invoices are required to be posted or emailed.

**NB: UK Health Insurance Companies do not usually cover the costs of GP consultations. All tests MUST be paid for in advance.**

Patients **MUST** notify the Secretariat if an appointment is no longer required.

**We reserve the right to charge full Cancellation Fees when less than 24 hours' notice is given.**
